Re: 911 Requirements for IP-Enabled Service Providers,
WC Docket No. 05-196

Dear Chief Poarch:

This letter is to inform you that as of August 31, 2007, AT&T, Inc. has reached 100% compliance for offering Enhanced 911 service to our CallVantage customers.¹ Having reached 100% compliance, we do not intend to continue filing monthly status updates with the Commission for our CallVantage service, unless the Commission notifies us that it would like to continue receiving such updates.

If you have any questions or need additional information, please do not hesitate to contact me.

Sincerely,

A handwritten signature in black ink, appearing to read "J. Bugel".

Jim Bugel
